If you have concerns about any aspect of the service you have received in hospital and feel unable to talk to those people responsible for your care, call PALS on 020 7349 7715 or email [pals@rbht.nhs.uk](mailto:pals@rbht.nhs.uk). This is a confidential service.

This leaflet gives you general information about our clinical nurse specialists in children's cardiac care. Please ask us if you have any questions.

## About the team

Our team of children's cardiac nurse specialists work in the community as well as in Royal Brompton and Harefield hospitals. We support and advise children with heart conditions and their families.

We can give support and advice:

- By telephone
- In your home
- At your local hospital
- At your local cardiac clinic
- At Royal Brompton and Harefield hospitals

## At the time of diagnosis

We can give you support and information about heart conditions.

## Before coming into hospital for treatment

We can give you information about Royal Brompton or Harefield Hospital and the planned treatment.

## During your stay in hospital

We give support to children who are inpatients on Rose Ward and the paediatric intensive care unit (PICU) at Royal Brompton Hospital.

## Going home after hospital treatment

We will work with local services, such as health visitors, local hospitals and other community services, to make sure that you have the ongoing support you need.
